THE WELCOME

—
Dedicated to those, who are creating their environment. Inspired by stories from the road traveler spirit, **KULĀ** was founded in 2018 between Istanbul and Berlin. **KULĀ** offers an alternative vision of the supply industry.

We produce our products from local manufactures. In our atelier at Kaskelkiez we create our concrete items. High quality, exceptional novelties that work well and are durable, exclusiv for your company.

We have the vision that can turn mountains into possibilities, making the impossible possible. On the way to the top of the mountain, we are looking for the inner power to keep going on.

This marvelous moment when our vision is realized we are more than alive. **KULĀ BERLIN.**

OUR PRODUCTS

—
We secure that every product from us is unique for your store. You can choose the shape and color.

High-End details, durable quality and all materials are produced local or in europe.

All products can be labeled with your brand and create a selection.

Our minimum orders are limited amounts to keep the uniqueness.

Products are packed in recycled paper to make a step into a healthy environment.

CONCRETE PLANTER

It's the product of a very time-consuming process. The soul of the planter is made of german concrete. This foundation is wrapped with finest italian pigment, oxidated kintsugi structure, gold structure or handpicked mineral stones and covered with a epoxy.

Different shaped, sizes, colors are available.

Price: Excel Price List

SOAP BAR HOLDER

—
The mold is produced by hand, and natural color pigmented . Which makes each of the soapbar-holder a unique piece. The clear surface and the classic basic shape are in exciting playful contrast with the pigments.

Beautiful, minimalistic, durable –
A classic piece for your bathroom and kitchen.
Available in different colors and shapes.

Price: 7,50 Euro excl. VAT
